

Company code: 6285

No: 2

Subject: Clarification of the Economic Daily News report per the TWSE's instructions

To which item it meets--article 4 paragraph 51

Date of events: 2021/04/15

Contents:

1. Date of occurrence of the event: 2021/04/15
2. Company name: Wistron NeWeb Corporation
3. Relationship with the Company (please enter "the company itself" or "subsidiaries"): head office
4. Reciprocal shareholding percentage: N/A
5. Name of the reporting media: Economic Daily News
6. Content of the report: Regarding reports of damage to 161KV underground cables during construction of WNC's new facility in the Southern Taiwan Science Park
7. Cause of occurrence:
  - (1) On April 14, due to the performing of ground anchor work during excavation work at WNC's new Southern Taiwan Science Park facility, 161KV underground cables at the northern edge of Beiyuan Third Road were damaged. This work was carried out after on-site consultations between WNC, our contractors and the relevant authorities. At this point in time it is unclear why the incident occurred.
  - (2) We are doing our best to understand the cause of the incident and will cooperate with any investigation by the relevant authorities. If it transpires that there was negligence in the construction work the contractors will be required to pay compensation in accordance with the terms of our contract with them.
8. Countermeasures: The Company announces important information on MOPS to clarify related financial information.
9. Any other matters that need to be specified: N/A
